HOUSING

SGO has reserved a block of rooms at the Affinia Hotel (166 East Superior, Chicago, IL 60611). Rooms are available on a first-come, first-served basis at a discounted rate of $149/night (Single/Double Guestroom) plus additional state and local taxes. Housing reservations can be made by calling the Affinia Hotel directly at 1-866-233-4642. Please mention the "SGO Palliative Care Course" when booking your room to receive the special rate.

CONTINUING MEDICAL EDUCATION (CME)

The Society of Gynecologic Oncology (SGO) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education to physicians. SGO designates this educational activity for a maximum of six *AMA PRA Category 1 Credits*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

American Academy of Physician Assistants (AAPA): This program is not yet approved for CME credit. Conference organizers plan to request six hours of AAPA Category I CME credit from the Physician Assistant Review Panel. Total number of approved credits yet to be determined.

American Association of Nurse Practitioners (AANP): This program is pending approval with the AANP.

Illinois Nurses Association (INA): This activity has been submitted the INA Approver Unit for approval to award contact hours. INA is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's commission on Accreditation.

DECREASING SYMPTOMS *through* IMPROVING CARE

Practical Aspects of Palliative Care: Multidisciplinary Strategies for an Integrative Approach to Palliative Care

SATURDAY, DECEMBER 10, 2011
7:30 A.M. – 4:30 P.M.

Robert H. Lurie Comprehensive Cancer Center of Northwestern University, Chicago, IL

WELCOME *to* CHICAGO!

Known for so much more than being the 'Windy City', Chicago offers an appealing mix of downtown shopping along the Magnificent Mile, breathtaking views from Willis Tower—the highest skyscraper in the country—and a contemporary dining scene that meets everyone's tastes!

CULTIVATE PARTNERSHIPS THAT IMPROVE PATIENT AND FAMILY CARE, ONE HAND AT A TIME.

Participants will develop a toolbox of palliative care competencies and engage in collaborative learning exercises to address challenges in palliative care.

Six dynamic sessions will shape this one day course, designed to provide physicians, allied health professionals and social workers with the information and skills needed to provide high quality, specialist-level palliative care to patients with life-threatening illnesses.

Tentative Session Topics Include:

- Advanced Care Planning
- Balancing Hope and Recurrence
- Common Challenges in Pain and Symptom Management
- Coordination of Care
- Strategies for Integrating Palliative Care into Clinical Services
- Healthcare and Spirituality
