Gain direct access to the largest audience of gynecologic cancer care experts!

Annual Meeting on Women’s Cancer®
Since 1969, women's health care professionals have convened at the Society of Gynecologic Oncology (SGO)’s Annual Meeting on Women’s Cancer® to discuss the latest science in the field, receive educational programming and network. Now in its 47th year, the SGO Annual Meeting continues to be the premier educational and scientific event for those who treat and care for women with gynecologic cancers.
Attendee Profile

The SGO Annual Meeting brings together members of the entire women’s cancer care team who provide treatment and care in the areas of chemotherapy, radiation therapy, surgery, and supportive care. A large population of the attendees include gynecologic oncologists, nurses, physician assistants, as well as medical oncologists, pathologists, radiation oncologists, hematologists, surgical oncologists, obstetrician/gynecologists, social workers, fellows-in-training, and residents.

Attendees practice in the United States as well as abroad in a variety of clinical settings, such as academic institutions, hospitals, major regional cancer centers, private practices, and community clinics. Their primary interests include prevention, screening, treatment, palliation, and surgery. Don’t miss your chance to interact with attendees who have tremendous buying power and authority to make purchasing decisions.

WHY EXHIBIT?

Exhibit Space Package

• 10’x10’ booth, including the following amenities:
  - 8’ high back drape
  - 3’ draped side rail
  - 7” x 44” identification sign

• Three complimentary exhibit badges

• Company name, booth number and product/service description listed in the Annual Meeting program book, on the mobile app and on the Annual Meeting landing page

• Dedicated exhibit hall periods

Your presence at the SGO Annual Meeting will give you the opportunity to:

• Interact face-to-face with the largest group of gynecologic cancer care experts

• Connect with prospective and existing clients

• Introduce new products and services

• Build brand visibility for your company

• Generate sales leads

• Mix and mingle with attendees at planned social events and education sessions

Be where your competition wants to be at the San Diego Convention Center, and help contribute to the success of our mission by introducing your newest products or services to our members. Visit sgo.org/annualmeeting for more information.

Exhibit spaces larger than 20’ x 20’ are recommended if you plan to conduct demonstrations and hold conversations with large groups. Contact meetings@sgo.org or 312-235-4060 for personal assistance in selecting a customized space for your needs.

Reserving Exhibit Space

Complete and return the attached application for exhibit space via email, fax or U.S. mail, along with your payment in U.S. dollars in the form of a credit card or check to the Society of Gynecologic Oncology. Wire transfers are also accepted but will require an additional 5 percent surcharge. A 50 percent deposit is due at time of application to reserve exhibit booth space.

Full payment is required no later than Nov. 20, 2015. Applications received after Nov. 20, 2015, must be submitted with full payment.

Exhibitor Services Kit

A kit will be delivered to exhibitors electronically containing information about:

- Final exhibition hall hours
- Exhibit booth set-up and dismantle hours
- Housing and registration information and forms
- Service contractor and all auxiliary service information and order forms
- Any amended or additional rules and regulations

Stand Out Among Your Competition

BECOME A SPONSOR OR AN ADVERTISER

Connect with attendees in a profound way by increasing your visibility through sponsorships or advertising. A variety of opportunities designed to increase your company’s visibility and drive traffic to your booth will be announced soon.

A sponsorship and advertising package will be sent to you once we receive your application for exhibit space. Contact Teri Jordan at teri.jordan@sgo.org if you have any questions.

HOST AN INDUSTRY SUPPORTED SYMPOSIUM

Be one of a few companies at the SGO Annual Meeting that has an exclusive partnership with SGO to host a symposium. Only a limited number of industry partners will have the opportunity to disseminate high-quality, evidence-based scientific information to attendees. All symposia are scheduled during meal time gatherings to provide industry partners a time slot that is sure to be attended. Contact Teri Jordan at teri.jordan@sgo.org if you have any questions.

Exhibit Hall Features

A variety of attractions will be held in the exhibit hall to direct flow towards exhibit booths. Below is a listing of events that have been scheduled in the hall.

POSTER SESSIONS

The abstracts selected for poster sessions will be on display in collections throughout the exhibit hall. Attendees have the opportunity to view and interact with the poster presenters as well as meet with surrounding exhibitors.

SURGICAL FILM CENTER

The surgical film center is a popular attraction for attendees as they can view an assortment of surgical films created by their peers on the latest, innovative surgical techniques for gynecologic cancer.

FOOD AND BEVERAGE BREAKS

Food and beverage breaks will take place in the exhibit hall in an area to enhance exhibit booth visibility.

WEB CAFÉ STATIONS

The web café is utilized by attendees looking to stay connected with their patients, students, and families. Numerous web café stations will be positioned throughout the exhibit hall and made available during exhibit hours.

SGO HEADQUARTERS BOOTH

This is where attendees stop to talk about all things SGO. Information about upcoming educational programs and events are shared, and SGO-related products and services are on display.
Application for Exhibit Space

In accordance with the following terms, conditions and regulations governing exhibits at SGO’s 2016 Annual Meeting on Women’s Cancer®, which takes place March 19-22, 2016, at the San Diego Convention Center, the undersigned hereby makes application for exhibit space(s), which, when accepted by the Society of Gynecologic Oncology (SGO), becomes a contract. Terms and conditions listed under SGO’s Exhibitor Rules and Regulations, as well as those conditions under which exhibit space at the San Diego Convention Center is leased to SGO, are part of this contract. SGO reserves the right to alter the floor plan. Space will be assigned as outlined in the SGO Exhibitor Rules and Regulations.

Please submit the completed application via email at meetings@sgo.org or fax to 312-235-4059.

EXHIBITOR RULES & REGULATIONS

General
All matters and questions not covered by these Rules and Regulations are subject to the decision of the Society of Gynecologic Oncology (SGO). In the event of any such decision being of general interest, written notice will be given by the Society to Exhibitors that may be affected. The words “the Society” or “SGO” used herein shall mean the Society of Gynecologic Oncology, its committees, agents or employees acting for the management of the Meeting and Exhibition.

Exhibit Participation
The exhibition is for the express purpose of furthering SGO’s mission, which is to promote and ensure the highest quality of clinical care through excellence in education and research in gynecologic cancers. Companies may exhibit commercially available gynecologic and/or related products, equipment and services approved, where applicable, by the Food and Drug Administration (FDA).

Displays or graphical depictions of drugs or devices that are investigational or not approved by the FDA must include prominent signage noting which product(s) are for viewing by non-U.S. attendees only and guide attendees accordingly. SGO does not guarantee, warrant, endorse or otherwise approve of the companies exhibiting at the SGO meeting nor any of the products, equipment or services exhibited by the companies. Each Exhibitor is solely responsible for compliance with FDA Rules and Regulations which address the labeling of displayed products and for determining if a product may be promoted for a use that is generally accepted among oncologists or other medical professionals and for which FDA approval is not required.

Compliance with all applicable laws and regulations is required of every organization that participates in SGO meetings. Organizations that violate SGO policies, applicable law, or the terms and conditions as set forth in the Application for Exhibit Space will be subject of disciplinary action that could include loss of priority in selection of exhibit space and/or hotel accommodations, termination of the Application for Exhibit Space, or loss of the opportunity to participate in future SGO meetings.

Assignment of Exhibit Space
Applications received from prospective Exhibitors will be recorded in order of their receipt. If two applications for the same space are received at the same time, priority will be given to the company that exhibited at previous SGO meetings, or had been a sponsor of previous SGO Annual Meetings and complied with all exhibitor rules and regulations. While SGO attempts to accommodate exhibit location and other preferences, such accommodations cannot be guaranteed. In the event of a conflict regarding space or other material conditions, SGO shall have the right to assign space to the Exhibitor, rearrange the floor plan and/or relocate any exhibit at any time before or during the period of exhibition. Please note exhibit space locations Exhibitors had the previous year are not guaranteed.

Exhibit space will not be assigned without appropriate payment made first. If full payment is not received by Nov. 20, 2015, the exhibit space will be released and reassigned until final payment is received and processed.

Booth Personnel Registration/On-Site Responsibilities
All booth personnel must pre-register. An Exhibitor registration link will be emailed to the person who listed themselves as the main contact on the application. Exhibitors are entitled to three (3) complimentary registrations per 10’x10’ booth. Additional badges are available for $250 each with a limit of six (6) total badges per 10’x10’ booth. If more Exhibitors wish to attend, participants must register at the non-member rate, which is $925 or $1,100 after Jan. 26, 2016.

Exhibitors are required to staff their booths at all times when the exhibit hall is open to attendees. Exhibitors may enter the hall one hour before the scheduled exhibition and may remain in the hall one hour after the close of the exhibition.

Exhibitor badges will be made available on-site only and Exhibitors must wear them at all times. Exhibitor badges include access to the exhibit hall, any meal functions served in the exhibit hall, as well as all educational sessions. Exhibitor’s badges are personal and are not transferable.

Exhibitor personnel may not enter the exhibit space of another Exhibitor without permission from the latter. At no time may anyone enter the unmanned booth of another Exhibitor.

Sales on Exhibit Floor
The Society of Gynecologic Oncology’s exhibit program educates attendees by providing information, services and products, and presenting industry trends pertinent to the physician’s professional interest. Therefore, taking orders and selling exhibited products will be permitted. The sale of non-gynecologic oncology-related products is strictly prohibited. At no time may the exhibit or product display be altered to fulfill a transaction. No signage or advertising of product pricing will be allowed. Exhibiting companies that sell taxable goods or services on-site are responsible for registering as a dealer with the respective state’s department of revenue.

Eligible Exhibits
Exhibits will be limited to the company and the product(s)/service(s) listed on the Application for Exhibit Space and are subject to approval by the SGO Executive Committee for accepted and acknowledged efficacy as well as commercial availability. Only the sign of the company whose name appears on the application may be placed in the booth or appear on any printed list of Exhibitors. No exhibits or advertising will be allowed beyond the perimeters of the booth unless additional advertising has been purchased at the meeting.
Subletting of Space
Exhibitors may not assign, sublet or apportion the whole or any part of the space allotted to them and may not advertise or display goods or services other than those manufactured or sold by them in the normal course of business. False certification of individuals as Exhibitor’s representatives, misuse of Exhibitor badges or any other method of assisting unauthorized persons access to the exhibit floor will be cause for expelling the violator from the exhibition, barring him/her from further entrance to the exhibit floor or removing his/her exhibit from the exhibit floor without obligation on the part of SGO for refund of any fees. The demonstration of products, advertising of products or distribution of advertising and/or solicitation of business on behalf of non-exhibiting companies is strictly prohibited in any part of the convention facilities (including but not limited to guest rooms, suites and function space).

Exhibitor Services/Service Contractor
Contact Information
SGO’s general contractor can provide all usual trade show services including labor. SGO’s general contractor will also provide drayage service for all Exhibitors. That service will include receipt of freight, delivery of Exhibitor’s freight to exhibitor’s booth site, storage of Exhibitor’s empty containers until the close of the show, and return of the freight to the destination of Exhibitor’s choice. Forms will be included in the Exhibitor Service Kits. The SGO, on behalf of Exhibitors, will arrange with responsible parties for various Exhibitor services. Complete information regarding carpeting, drayage, furniture, electrical work, etc. will be furnished well in advance of the exhibition dates. An outside exhibit house must notify SGO at least three (3) weeks prior to the show set-up of the names of all their clients in the show along with the names of their permanent personnel who will be working at the show. (Only permanent, full-time exhibit house personnel will be allowed on the floor of the show.) Upon arrival at the show, exhibit house personnel will check in with show management or their selected agents to present their credentials and receive permission to work on the floor.

Installation of Exhibits
Installation of exhibits will commence on Saturday, March 19, 2016, at 6:00 a.m. All exhibits must be fully installed by 4:00 p.m. on Saturday, March 19, 2016. After this hour, no installation work will be permitted without special permission from SGO.

Removal of Exhibits
All exhibits must remain intact until 4:45 p.m. on Monday, March 21, 2016, and may not be dismantled or removed until that time. Exhibits should be packed and ready to move by 6:00 a.m. on Tuesday, March 22, 2016.

Booth Construction
SGO arranges for the erection of necessary draped backgrounds of uniform style, and name signs with booth numbers. All exhibits must be confined to the spatial limits of the booth as indicated on the floor plan. No part of in-line displays, excepting equipment therein, may be higher than eight (8) feet along the back wall unless specific written permission is granted by SGO. No perpendicular obstruction eight (8) feet or more in height may extend forward more than 50 percent of the distance from the back wall, and none over 36 inches in height shall extend forward for the remaining space to the front of the booth. In addition, exhibit spaces may not be wider than they are deep between the front of the exhibit hall and an area predetermined by SGO. This area will be determined before exhibit sales commence. (Exceptions are subject to SGO’s approval and requests must be made in writing 60 days prior.)

Booths shall not present an objectionable side appearance when viewed from adjoining booth areas. An appropriate floor covering is required for the entire contracted booth space. Flashing and/or strobe lights of any sort are prohibited. Any supplementary lighting, with or without the use of a truss, must be confined within the perimeters of the booth. Flammable materials must be flame proofed as governed by San Diego fire codes before entering the exhibit hall. Certification must be available if requested.

Literature on display shall be limited to reasonable quantities (one-day supply). Fire department permits are required for open flame devices and use of compressed gases or dangerous chemicals.

Peninsula Exhibits
Peninsula spaces have aisles on three sides and two corners. Peninsula displays must be 10’x20’ in size or larger. The back wall shall be centered on the non-aisle side and not exceed in width one-half the dimension of this side. Height may not exceed eight (8) feet.

Island Exhibits
Island spaces are to be accessible from all four sides, with an openness or transparency of sight lines allowing attendees to view the surrounding exhibit areas through the island booth. Island booth structures, including hanging signs, cannot exceed a height of twenty (20) feet. If booth space exceeds 20 feet, please contact meetings@sgo.org. Island hanging cannot block the visibility of SGO signs or other booths. Hanging signs must be hung directly over the island booth and not in the aisles. In an island space, a set back of one (1) foot will be required for any structure longer than four (4) feet and higher than four (4) feet. Additional booth furnishings and other services (e.g., labor to install exhibits, special signs, flowers, cleaning services, electrical power, etc.) can be obtained from the official exhibit contractors as outlined in the Exhibitor Service Kit.
Booth Regulations and Attendants

Electrical, mechanical apparatus, movie or musical/voice sounds must be inaudible to neighboring Exhibitors. Set-up time for the booths is restricted to the published hours. No installation or dismantling of booths or display material is allowed during open exhibition viewing hours. All demonstrations shall be confined to the Exhibitor’s own booth. Excessive audio or visual attention-getting devices or effects are prohibited. Sound effects are discouraged due to the intimate nature of the exhibit area. Admission to the exhibit area is limited to registered owners, representatives and employees of exhibiting companies. Models or similar personnel not commercially connected with the industry may be employed to assist in the Exhibitor’s booth; any costume, if not standard business attire, must conform to proper decorum of the meeting and may be subject to approval by SGO Exhibit Management. Sales representatives of an Exhibitor who also represent one or more other companies may not demonstrate, promote or sell products or services of any non-exhibiting companies. Exhibits must remain fully intact and staffed at all times. Dismantling of exhibits and removal of products or display material is limited only to published move-out hours. Premiums and giveaways must be approved by SGO exhibit management prior to the exhibition and SGO encourages all Exhibitors to follow current phRMA and Advamed guidelines. The SGO name and/or logo may not be part of any Exhibitor’s materials.

Exhibit Setup

Exhibit space not occupied one hour prior to the opening of the exhibit hall may be reassigned by SGO exhibit management without refund of the rental paid. Exhibit management may also prepare the exhibit or remove freight from the booth area at the expense of the Exhibitor.

Care of Exhibit Space

Exhibitors shall keep occupied space in good order. Special cleaning and dusting of booth, display, equipment and material will be the Exhibitor’s responsibility and shall be performed at the Exhibitor’s expense.

Conduct of Exhibitors

Exhibitors shall conduct themselves in an ethical and professional manner at all times and in conformance with these regulations. Exhibitor badges must be worn at all times. SGO reserves the right to deny the privileges of the floor to any and all Exhibitors who do not comply. An Exhibitor’s booth, its products, staff or visitors may not be photographed or videotaped by a third party without the permission of the authorized occupants of that booth. The minimum age for admission into the exhibit hall is 18 years of age.

Marketing of Products and Services Outside of the Exhibit Hall

The only appropriate and acceptable venue for the distribution or display of advertising or marketing materials is the exhibit hall. Commercial firms may not, for example, engage in marketing activities through the use of hotel television channels, guestroom voicemail, individual company distribution of marketing materials in hotels (e.g., flyers or door drops), or the branding of beverage napkins, hotel keys, etc., unless pre-approved in writing by the SGO executive director.

Insurance and Liability

Exhibitors shall be fully responsible for any claims, liabilities, losses, damages or expenses relating to or arising from an injury to any person or any loss of or damage to property where such injury, loss or damage is incident to, arises out of, or is in any way connected with Exhibitor’s participation in the exhibition (except as otherwise provided in the lease agreement between the SGO and the San Diego Convention Center. It is the Exhibitor’s sole responsibility to obtain, at its own expense, any or all licenses and permits to comply with all federal, state and local laws and City of San Diego ordinances for any activities conducted in association with or as part of the exhibition. Exhibitors shall protect, indemnify, hold harmless and defend the SGO, its officers, directors, agents and employees against all such claims, liabilities, losses, damages and expenses, including reasonable attorney’s fees and costs of litigation; provided that the foregoing shall not apply to injury, loss or damage caused by or resulting from the negligence of the Society, its officers, directors, agents or employees. Exhibitor, its agents and representatives shall maintain general public liability insurance against claims for personal injury, death or property damage incident to, arising out of or in any way connected with Exhibitor’s participation in the exhibition, in an amount of not less than one million dollars ($1,000,000) for personal injury, death or property damage in any one occurrence. Such insurance shall include coverage of the indemnification obligations of the Exhibitor under these rules and regulations and shall cover the Society and the decorator as additional named insured. Exhibitor shall provide the Society with a copy of such insurance policy at least 30 days prior to the exhibition. Exhibitor is responsible for obtaining, for its protection and entirely at its expense, such property insurance for its exhibit and display materials as Exhibitor deems appropriate. Any policy providing such property insurance must contain an express waiver by the Exhibitor’s insurance company of any right of subrogation as to any claims against the Society, its officers, directors, agents or employees. In the event any part of the exhibit hall is destroyed or damaged so as to prevent the Society from permitting Exhibitor to occupy assigned space during any part of the whole of the exhibition period, or in the event occupation of assigned space during any part or the whole of the exhibition period is prevented by strikes, acts of God, national emergency or other causes beyond the control of the Society, Exhibitor will be charged for space during the period it was or could have been occupied by Exhibitor; and Exhibitor hereby waives any claim against the Society, its directors, officers, agents or employees for losses or damages which may arise in consequence of such inability to occupy assigned space, its sole claim against the Society being for a refund of rent paid for the period it was prevented from using the space.
Security
SGO exhibit management will provide overall security service for the meeting period, but neither SGO nor the convention facility will guarantee Exhibitors against loss and will not be responsible for loss of any material by or for any cause. Exhibitors must make provisions for safeguarding of their goods, materials, equipment and display at all times, and Exhibitors are urged to carry their own insurance through their own sources at their own expense.

Safety and Fire Laws
All applicable safety and fire laws and regulations must be strictly observed by all Exhibitors. Cloth decorations must be flameproof. Wiring must comply with local fire department and conference facility rules. Aisles and fire exits must not be blocked by exhibits. No combustible decoration, such as crepe paper, cardboard or corrugated paper, shall be used at any time. All packing containers, wrapping material, etc., are to be removed from the exhibit floor and may not be stored under tables or behind the exhibit. Open flames, butane gas and oxygen tanks are not permitted.

Hazardous/Medical Waste
Exhibitor assumes responsibility and any liability for removal or disposal of any material considered to be hazardous/medical waste material. Exhibitor also agrees to conform to any local ordinances and regulations concerning the disposal of hazardous/medical waste. Any and all costs incurred in the removal of hazardous/medical waste from the exhibit facility will be the sole responsibility of the Exhibitor. If the Exhibitor does not dispose of the hazardous waste materials properly, SGO reserves the right to fine the exhibiting company.

Prohibited Items
The following items are prohibited in the exhibit hall:

- Flashing lights
- Playing or performing of recorded or live music during the published exhibit hall hours
- Distribution of coupons or vouchers for meals, entertainment, or personal services to meeting attendees, as well as items or services that may be claimed or distributed after the meeting
- Distribution of any item more than minimal value
- Demonstration, promotion, or sale of the product of any non-exhibiting companies
- Affixing the SGO logo to, incorporating it in, or otherwise making it a part of any Exhibitor-distributed materials without prior written approval by the SGO executive director
- The use of animal tissue, unless pre-approved in writing by the SGO executive director no less than 60 days prior to the exhibit hall dates (includes raw meat for the display of products or equipment).
- Multi-level booths
- Water features such as waterfalls and mist walls
- Fundraising and/or surveying, unless a special exception has been granted by the SGO executive director in writing (including solicitation of corporate investors)
- Prescription and/or over-the-counter drugs of any kind
- Excessive audiovisual devices, including JumboT ron screens and amplification devices which may result in the disturbance of other Exhibitors

Raffles and Drawings
Raffles and drawings may be conducted within the confines of the Exhibitor’s own booth. SGO exhibit management will not be responsible for the promotion of such raffles and drawings and winners will not be announced.

Social Functions and Activities
Social functions and other activities sponsored by Exhibitors cannot be held during exhibit hours or in conflict with any scheduled meetings or activities sponsored by SGO. Requests for social functions and other activities must be submitted in writing and are subject to approval by SGO.

Competitors
It is the responsibility of the exhibiting company to alert SGO management of any competition they wish to avoid sharing similar space with.

Cancellation
Submission of the exhibit application, payment of deposit and assignment of space shall constitute a contract with SGO. Cancellations of exhibit space must be submitted in writing to SGO Headquarters and shall be effective upon receipt of notice by SGO. From time of signature of contract until Nov. 20, 2015, fifty percent (50%) will be refunded for all booth cancellations.

There will be no refunds whatsoever for cancellation of booth space after Nov. 20, 2015. SGO exhibit management reserves the right to treat an Exhibitor’s “downsizing” of booth space as cancellation of the original space and purchase of new booth space. Exhibitors may be required to move locations if they request a downsizing of space. If, for any reason beyond the control of SGO, the exhibition has to be cancelled, shortened, delayed or otherwise altered or changed, the Exhibitor understands and agrees that losses and damages, which it may suffer as a consequence thereof, are its responsibility and not that of SGO, its directors, officers, employees or agents. The Exhibitor understands that it may lose all monies it has paid to SGO for space in the show, as well as other costs and expenses it has incurred, including travel to the exhibition, setup, lodging, freight, employee wages, etc.
