

Maximize your SGO membership with exclusive discounts, timely updates, strategic communications, and a professional network designed to enhance your engagement and support your clinical practice.

MEMBERSHIP Includes:

- Discounts, reminders, and exclusive content for all SGO meetings
- *SGO Issues*, our bi-weekly email newsletter delivering the latest SGO news, events, resources, and more to keep you up to date
- Clinical practice advisory communications with strategic solutions provided through email, web, and [Connect™Ed](#)
- Networking opportunities with members around the globe such as:
 - Access to the SGO Member Directory
 - [MySGO](#): An engaging online community where members interact with other members in a variety of special interest groups
- Access to [SGO Connect™Ed](#), a platform with comprehensive resources and educational educational content for gynecological oncology providers, including:
 - [Antineoplastic Therapy For Gynecologic Malignancies](#) – 4th Edition: An updated SGO handbook offering a thorough review of systemic therapies for gynecologic cancers, covering standard treatments, recent advancements, and guidance on managing common side effects
 - Podcast series such as Keeping Up with the Chemos and SGO Taskforce for Board Certification Support
 - Surgical content library
 - Patient resources
- Subscriptions to help you stay informed, including:
 - SGO's *Women's Cancer News*, a weekly email that brings the most current news about gynecologic oncology straight to your inbox
 - [Gynecologic Oncology journal](#) including access to the mobile app (Associates and Trainees receive a discounted subscription; Institutional Memberships receive a single hard copy mailed to your program office each month)
- Professional growth opportunities and resources:
 - Volunteer opportunities on a variety of SGO committees
 - Notifications for job posting and discounted listings available through SGO's [Career Center](#) job board
 - A professional listing in SGO's [Seek a Specialist](#) tool, helping patients find your practice (available for U.S. full members only)
 - Access to the SGO State of the Society Survey, a premier resource for gynecologic oncology practices that reports trends in revenue, clinical activities, and shifts in practice patterns
